This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of Two Men and a Truck of Greenville, Inc. (the Company) for amendments to its schedule of rates. The new requested rates are as follows:

1 man and a truck--\$55.00/hour

2 men and a truck--\$72.50/hour

3 men and a truck--\$85.00/hour

4 men and a truck--\$95.00/hour

for each additional man, \$15.00/hour.

According to the Company, for moves up to 35 miles, these rates include a three (3) hour minimum and one (1) hour of travel time. For moves over 35 miles, moves will be conducted on a "straight time" basis, with a three (3) hour minimum plus estimated travel time. These rates apply seven (7) days a week, for each season of the year. In addition, the Company will charge \$50 to move a piano of any size or variety.

We have analyzed these proposed rates, and, except for the movement of a piano, the proposal constitutes a rate decrease. If the proposed decrease is approved, the
